## 和食物浪费说"不"

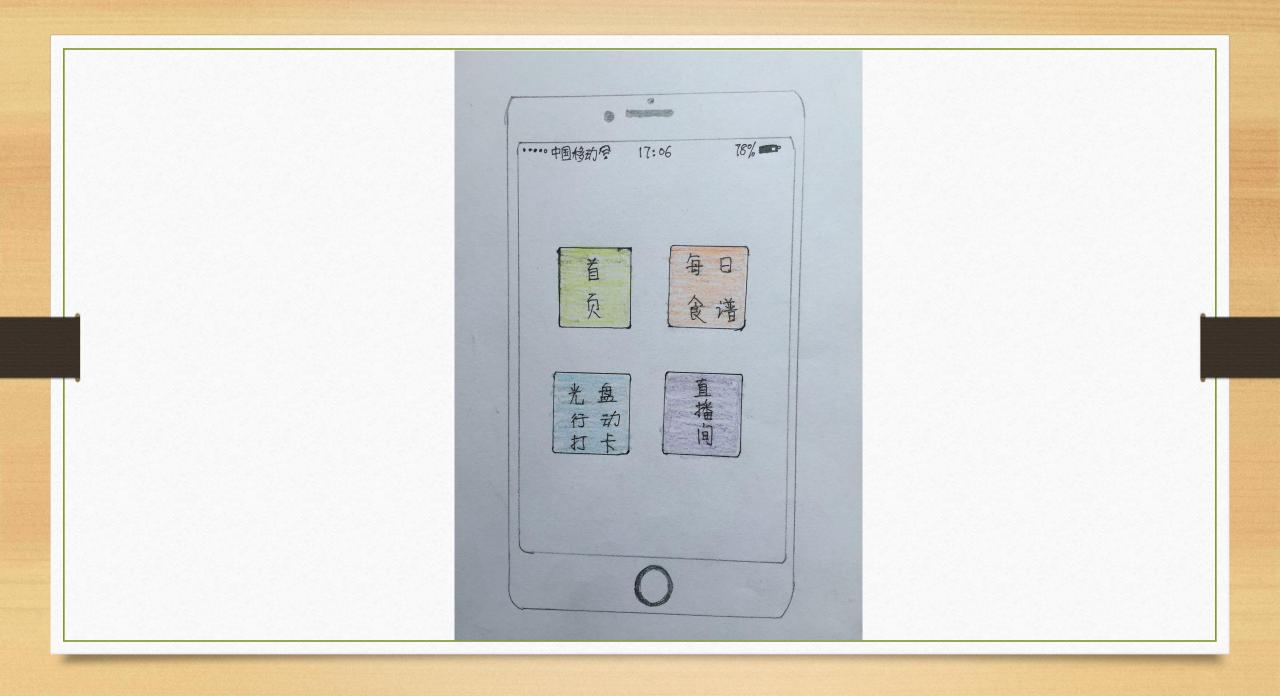

Say no to food waste!

- 学生们需要一种和食堂沟通交流的方式, 因为他们浪费食物的现象很严重,并且对 食堂有一些意见。
- Students need to find a way to communicate with the school canteen because they have wasted a lot of food, and they have some comments about school canteen.

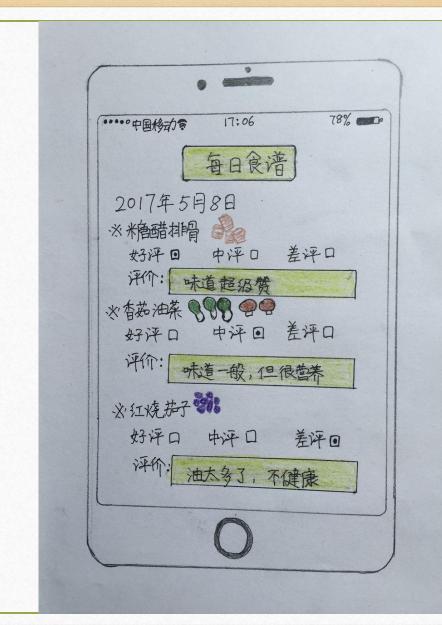

- 经过仔细观察和采访,我觉得食堂和学生之间没有一个好的沟通渠道,以至于产生了许多浪费现象,所以要解决这个问题,需要建立一个有效的沟通平台,我决定创建一个app,因为这种方式非常适合我的同学们,我很了解他们的喜好.
- After careful observation and interviews, I believe that there isn't a good communication system between school canteen and students, which leads to huge amount of food waste. In order to solve this problem, I need to create a effective communication virtual platform. I've decided to create an app because this way of communication is suitable with students.
